

Hello!

The Jackson Weis YAAF will be hosting a Golf Outing on Saturday July 23rd at Giant Oak Golf Course, with over 150 people playing/attending.

The Golf Outing is a major fundraiser for the Foundation and your contribution will directly support the fund and scholarship programs. The Jackson Weis YAAF strives to support all athletes who are less fortunate and give them an opportunity to excel in their sport by providing financial assistance and necessary equipment. Jackson believed everyone should be able to play sports and your support is essential to achieving this goal and greatly appreciated.
